

# JACK KLUNDER MOLESEY - LANDS END SPONSORED CYCLE RIDE

**In early August, I aim to combine my passion for cycling with raising funds for BIKES FOR PASTORS in remote parts of Rwanda and Uganda.**

"I've been an avid cyclist for years. In a number of places, including my church, I am known for my dirty yellow top and lycra leggings.

This summer I am combining celebrating the end of my nursing course, with helping to spread Good News.

Molesey (Surrey) to Land's End, some 350 miles in 5 days, stopping at Salisbury, Taunton, Barnstaple and Padstow, before reaching Land's End. I will return from Penzance by train.

**For every £100 donated, Christian Hope can purchase one bike to help pastors in Rwanda and Uganda reach their congregations faster and more easily.**
