Container Requirements - Please Note

These items have been specifically requested for this container and are going to several different dioceses in Rwanda. This means we would like the items here at our warehouse for inclusion in the container before the end of June 2010.

Ideally the items should be new, or in very good condition.

For any questions please speak to the local representative below or contact Christian Hope International on 01708 377795. *Thank You.*
